Item Name K80 PRO	Product Name Face recognition Smart lock
Material Metal, aluminum	Size 424*72*56mm

Product Parameters : Color : Black/ Grey

1.Emergency power supply: Type-C USB
2. Fingerprint authentication: Semiconductor live fingerprint authentication
3.Working temperature range: -30℃~70℃
4. Lithium battery powered: 4200 mAh 2 mechanical keys
5.Applicable door standard: 40-120mm (thickness)
6. False alarm (after 3 incorrect unlocking attempts,
7.the system will automatically lock for (20 seconds)
8.Virtual password Battery alarm
9. Video doorbell Camera peephole

Product function :

1.Face recognition 2.Palmprint unlocking 3.Fingerprint unlocking 4.Password 5.IC card 6.Mechanical key 7.APP temporary 8.TUYA WIFI 9.Remote unlocking

Item Name K68 PRO	Product Name Face recognition Smart lock
Material Metal, aluminum	Size 430*72*40 mm

Product Parameters : Color : Black/ Silver/ Rose Gold

1. Emergency power: Type-C USB
2. Fingerprint authentication: Semiconductor live fingerprint authentication
3. Operating temperature range: -30℃ to 70℃
4. Lithium battery powered: 4200 mAh
5. 2 mechanical keys 6. Compatible door thickness: 40-120mm 7. Virtual password / low battery alert
8. Video doorbell / peephole camera

Product function :

1.Face recognition 2.Palmprint unlocking 3.Fingerprint unlocking 4.Password 5.IC card 6.Mechanical key 7.APP temporary 8.TUYA WIFI 9.Remote unlocking

Item Name K20 PRO	Product Name Face recognition Smart lock
Material Metal, aluminum	Size 434*75*53mm

Product Parameters : Color : Black

1. Emergency power: Type-C USB
2. Fingerprint authentication: Semiconductor live fingerprint authentication
3. Operating temperature range: -30℃ to 70℃
4. Lithium battery powered: 4200 mAh
5. 2 mechanical keys
6. Compatible door thickness: 40-120mm
7. Virtual password / low battery alert
8. Video doorbell / peephole camera

Product function :

1.Face recognition 2.Fingerprint unlocking 3.Password 4.IC card 5.Mechanical key
6.APP temporary 7.TUYA WIFI 8.Remote unlocking

Item Name K11	Product Name Face recognition Smart lock
Material Metal, aluminum	Size 434*75*53mm

Product Parameters : Color : Black

1. Emergency power: Type-C USB
2. Fingerprint authentication: Semiconductor live fingerprintauthentication
3. Operating temperature range: -30℃ to 70℃
4. Lithium battery powered: 4200 mAh
5. 2 mechanical keys
6. Compatible door thickness: 40-120mm
7. Virtual password / low battery alert
8. Video doorbell / peephole camera

Product function :

1.Face recognition 2.Fingerprint unlocking 3.Password 4.IC card 5.Mechanical key
6.APP temporary 7.TUYA WIFI 8.Remote unlocking

Item Name	Product Name
K18	Split Smart Lock
Material	**Size**
Metal, aluminum	360*70*24mm

Product Parameters : Color : Black Glossy

1. Emergency Power Port: Type-C USB
2. Unlocking Methods: Fingerprint / PIN Code / RFID Card / Mechanical Key / (Optional) Tuya Smart App
3. Operating Temperature Range: -20°C ~ 60°C
4. Power Supply: AA Batteries (4.5V–6V)
5. Capacity: 100 Sets (Fingerprints) | 100 Sets (PIN Codes) | 100 Cards
6. Material: Aluminum Alloy
7. Compatible Door Types: Wooden Doors / Bedroom Doors / Office Doors 8. Compatible Door Thickness: 40–120 mm

Product function :

1. Fingerprint 2. IC Card 3. Key 4.Password

Item Name	Product Name
K12	Glass Door Lock
Material	**Size**
Metal, ABS	-

Product Parameters : Color : Black

1.Emergency power supply: Type-C USB,
2.Fingerprint authentication: Semiconductor live fingerprint authentication,
3.Working temperature range: -20~55℃,
4.Low battery alarm,
5.Applicable door standard: Suitable for office, shop, glass door,
6.6V (4 alkaline batteries)

Product function :

1. Fingerprint 2. IC Card 3. Key 4.Password 5.Remote

Item Name	Product Name
K18	Split Smart Lock
Material	**Size**
Metal, aluminum	360*70*24mm

Product Parameters : Color : Black Glossy

1. Emergency Power Port: Type-C USB
2. Unlocking Methods: Fingerprint / PIN Code / RFID Card / Mechanical Key / (Optional) Tuya Smart App
3. Operating Temperature Range: -20°C ~ 60°C
4. Power Supply: AA Batteries (4.5V–6V)
5. Capacity: 100 Sets (Fingerprints) | 100 Sets (PIN Codes) | 100 Cards
6. Material: Aluminum Alloy
7. Compatible Door Types: Wooden Doors / Bedroom Doors / Office Doors 8. Compatible Door Thickness: 40–120 mm

Product function :

1. Fingerprint 2. IC Card 3. Key 4.Password

Item Name	Product Name
K12	Glass Door Lock
Material	**Size**
Metal, ABS	-

Product Parameters : Color : Black

1.Emergency power supply: Type-C USB,
2.Fingerprint authentication: Semiconductor live fingerprint authentication,
3.Working temperature range: -20~55℃,
4.Low battery alarm,
5.Applicable door standard: Suitable for office, shop, glass door,
6.6V (4 alkaline batteries)

Product function :

1. Fingerprint 2. IC Card 3. Key 4.Password 5.Remote

Item Name	Product Name
K50	Face recognition Smart lock
Material	**Size**
Metal, aluminum	410*76mm

Product Parameters : Color : Black

1.Emergency power supply: Type-C USB
2. Fingerprint authentication: Semiconductor live fingerprint authentication
3.Working temperature range: -30℃~70℃
4. Lithium battery powered: 4200 mAh 2 mechanical keys
5.Applicable door standard: 40-120mm (thickness)
6. False alarm (after 3 incorrect unlocking attempts,
7.the system will automatically lock for 20 seconds)
8.Virtual password Battery alarm
9. Video doorbell Camera peephole

Product function :

1.Face recognition 2.Palmprint unlocking 3.Fingerprint unlocking 4.Password 5.IC card
6.Mechanical key 7.APP temporary 8.TUYA WIFI

Item Name	Product Name
C10	Face recognition Smart lock
Material	**Size**
Metal, aluminum	420*78mm

Product Parameters : Color : Black

1.Emergency power supply: Type-C USB
2. Fingerprint authentication: Semiconductor live fingerprint authentication
3.Working temperature range: -30℃~70℃
4. Lithium battery powered: 4200 mAh 2 mechanical keys
5.Applicable door standard: 40-120mm (thickness)
6. False alarm (after 3 incorrect unlocking attempts,
7.the system will automatically lock for 20 seconds)
8.Virtual password Battery alarm
9. Video doorbell Camera peephole

Product function :

1.Face recognition 2.Palmprint unlocking 3.Fingerprint unlocking 4.Password 5.IC card
6.Mechanical key 7.APP temporary 8.TUYA WIFI
